

Lundquist, Sgt.

Monday, 25 February 2008

SERGEANT LUNDQUIST. A sergeant in the Springfield Police Department, who was shocked to watch the Soft Master beat up three officers in his the police station in the Cobra-controlled town. He fired on the old ninja master several times, but he managed to dodge every shot. The frightened Lundquist eventually let him access the station's computer records to look up information on the death of the Hard Master.
