

A.R.B. Co.

Tuesday, 26 February 2008

A.R.B. CO. During the months in which Cobra Commander was presumed dead, he created the company "A.R.B. Co." With help from his most loyal Crimson Guardsmen, the commander created the company, using it to mask his criminal operations. A.R.B. Co's holdings merged with ARBCO's after Cobra Commander regained control of Cobra.
