Summary: IDW's description: "CHUCKLES is the only man alive to have successfully infiltrated COBRA... and he's M.I.A. Has he been killed? Defected? Gone rogue to fight a one-man war against the enemy? None of these alternatives are acceptable to GENERAL HAWK. He wants CHUCKLES back with G.I. JOE, so he's sending a new Joe to retrieve him. But what she finds may be worse than anyone could have imagined... Also, get a deeper look inside COBRA than ever before, as TOMAX, XAMOT, and Erika continue to feel the effects of the previous miniseries, and several COBRA operatives are introduced for the first time in an IDW book!"
