CLOUDBURST. The code name used by U.S. Army Sergeant Chuck Ram. Born in San Diego, Cloudburst was a skilled stealth glider designer. He was briefly a member of the G.I. Joe team and flew an Air Commando combat glider. Most of Cloudburst's missions remain classified. Cloudburst, like most former Joes, is currently a reserve member of the team. He served as a member of the Joes' quick reaction force during the conflict known as World War III.

One of many Joes listed on the World War III member assignment map first seen in AE #28.
