BOMBSTRIKE. The code name used by U.S. Army Corporal Alyssa Renee Stall, born in Cranston, Rhode Island. As a forward air controller, Bombstrike scouts ahead to determine the ideal location for an air strike. Bombstrike's brothers Dwight and Thomas first joined the reinstated G.I. Joe team as "greenshirt" recruits, but while Dwight joined G.I. Joe as Barrell Roll, Thomas turned traitor and joined Cobra under the name Black Out. Bombstrike joined G.I. Joe as well and today, like many Joes, is a reserve member of of the team. Bombstrike was stationed in Turkey during the conflict known as World War III. One of many Joes listed on World War III member assignment map first seen in AE #28. Two years before her own action figure was released, Bombstrike was mentioned in Black Out's filecard, which referred to her as "Cadet Bombshell." Though the filecards of the three Stall siblings mention Bombstrike being kidnapped by Black Out, that storyline was never mentioned in the characters' comic book appearances.
