LONG ARM. The code name used by U.S. Army Corporal Thomas P. Mangiaratti, born in Boulder Creek, California. As "first strike specialist" for the G.I. Joe team before it was shut down in 1994, Long Arm was known for kicking down doors and being the person leading the charge into a dangerous location. Today, like many Joes, he is a reserve member of the team. Long Arm was stationed in Spain during the conflict known as World War III. One of many Joes listed on World War III member assignment map first seen in AE #28. (AE 25 (cover); Figure: 1)
